

Erskine Bridge Pipeline Replacement Project

Overnight lane closure 22 January 2019

As part of our ongoing works we will be required to close the northbound inside lane (Erskine Bridge A898) and slip road to A82 Crianlarich (towards Dumbarton) on 22 January 2019 from 20:00 hrs until 06:00hrs on 23 January 2019.

Local diversions will be in place – please see attached leaflet.

For further information please visit: sgn.co.uk/Roadworks/Erskine-Bridge/

To receive project updates, visit: <http://smartsurvey.co.uk/s/SGNErskineBridge>

Please feel free to share with your stakeholders and anyone else who may be impacted by our work.

In partnership with

Road closure between 22 January, 8pm until 23 January 6am.

Erskine Bridge (A898) northbound inside lane and the slip road to A82 Crianlarich (towards Dumbarton) closed.

Diversion:

Continue onto A82 Glasgow and follow road eastbound for 1.9 miles to Kilbowie roundabout. Take fifth exit to return to A82 Westbound.

We apologise for any inconvenience caused.
