

Understanding the Impact of Childhood Abuse: Basic Awareness Workshop

When: Friday 14 September 2018, 10am-4pm

Where: 6th Floor, 1 Cadogan Square, Galsgow

Description:

A workshop aimed at supporting professionals who would like to gain a greater understanding of the **impact of childhood abuse** and **best practice in responding to disclosures**.

Topics covered will include:

- Prevalence of Childhood Abuse
- Barriers to Children Disclosing
- Barriers to Adults Disclosing
- Long Term Impacts
- Understanding Coping Strategies
- Impact on Non-Abusing Parents
- Supporting Disclosure
- Disclosure and Beyond – Supporting Recovery
- Survivor's Stories

What others have said about our training:

- “Practical exercises gave me a whole new insight into some of the barriers in speaking out”
- “Loved the experiential exercises – gave another dimension to the training”
- “I now feel I have a much fuller understanding of how difficult disclosure can be and why”
