

Hello All,

I am happy to announce that this year's Positive About Youth Awards nominations are now open!

Please follow [this link](#) to lodge any nominations.

The PAY Awards were set up to tackle the stigma young people receive and this will be its 9th year running. We invite you to help us to realise that goal and make this year one to remember by nominating a group or individual under one of the 11 categories ranging from Sports to Eco Awards.

At the core of the PAY Awards is the drive to recognise and celebrate the achievements and hard work of young people either singularly or as part of a group/organisation. The awards ceremony has proven to be an exceptional night that brings an inspiring light to the selfless and dedicated work that the youth of Renfrewshire carry out.

Please help us celebrate the achievements of Renfrewshire's young people by nominating [here!](#)

*Nominations are open to any youth group/organisation or young person aged 12 - 25 who live, work, learn and/or use services in Renfrewshire. The closing date for nominations is Wednesday the 4th of September.*

Thank you and I'd like to wish good luck to any nominations you lodge 😊

Kind Regards,

Adrian Mckechnie,

Chairperson,

Renfrewshire Youth Voice
