

Opportunity to apply for FREE seats at St Mirren home league fixtures on 5 and 29 August 2017

The St Mirren Independent Supporters Association (SMISA) is the largest grouping of Saints fans. Our aim is to be a strong voice to represent the support, and to help influence the running of the club.

The St. Mirren Independent Supporters Association in partnership with St. Mirren FC has purchased 24 seats, 4 rows of 6, in the same area of the South Stand for all the home league fixtures during season 2017-18. These seats are being offered free to community groups, third sector organisations and local charities operating in Renfrewshire.

SMISA and St Mirren are wanting to reach out into Renfrewshire and the wider community, bringing the club closer to everyone and truly make St Mirren a Community Club that we can be proud of.

Requests for tickets or notification of interest for the new season must be made online at <http://smisa.net/community-season-tickets> by 30th July 2017.

If the ticket applications are oversubscribed we will do a ballot to allocate tickets.

Any requests for tickets must be for a minimum of 6 people.
