This is open to everyone but might suit those:

Retiring from the job but not life? Who want to expand knowledge on a wide variety of subjects?

FLAIR can offer:

FLAIR is a grouping of housing associations operating in Renfrewshire and East Renfrewshire. Our Organisations are all charities and aim to provide affordable housing. Membership of our governing bodies means taking responsibility for turning our ambitions into reality and running our social enterprises with integrity and passion. Our Academy helps people build these transferable skills. We hope they will want to continue to use them by joining one of our boards/management committees or Subsidiary Boards in the future
