

Team 33 are coming to the end of their time on the Princes Trust Team Programme. We would like to invite you to our **'Final Team Presentation'** on **Thursday 6<sup>th</sup> December 2018** at **2pm in the St Ninians Church Hall**, Blackstoun Road, Paisley. Tea and coffee will be available after the presentation.

Team 33 are aged between 16 - 21 years old and are in the final stage of their 12 week programme. This presentation is an opportunity for them to recount their experiences and give an insight into their developmental journey, which has included team building, work placements, community projects, communication and social skills. It is also a great opportunity to say thank you to all the partner agencies, service & work placement providers, family members and other members of the local community who have contributed to their success.

The team have completed excellent projects for their local and distant community and developed their own personal skills throughout their 12 weeks, and received great support from many local organisations and businesses along the way.

**If you would like to find out more about Prince's Trust, the Team Programme or would like to support young people in this area, please come along. In addition, if you know of agencies working with young people or you know of a young person who might be interested in the Team Programme, please let them know about this event.**

It would be great if you could let the team know if you are coming along by phone, text or email.

Thank you for your support and please do not hesitate to get in contact for further information.
