

SAFE - Online Course for Trustees

Following the recent Charity Commission's [regulatory alert regarding safeguarding](#), SAFE are delighted to launch this new online course to assist busy Trustees with reviewing and managing their charity's safeguarding arrangements and ensuring they meet their legal safeguarding 'duty of care'.

Pricing and purchase information can be [found here](#):

Taking just over an hour, this innovative online course covers:

- Safeguarding legal frameworks
- Charity Commission guidance
- Policies and procedures
- Safer recruitment
- Working overseas
- Ethical fundraising

and includes:

- Videos and interactive case scenarios
- Unlimited downloads of template policies and help sheets
- Easy access to resources and downloads relevant to the charity sector
- Certificate of completion, valid for one year

There has never been a better or easier time to make sure your charity is doing all it can to protect children, young people and adults at risk.

If online courses are not for you, why not attend our next face to face [Safeguarding: Trustees' legal responsibilities course](#) at our Eye office in Suffolk?

If the SAFE team can assist in any way please don't hesitate to contact us.
