

Carers Allowance

The Scottish Government are holding a series of roadshows across Scotland in July and August to raise awareness of the new Carer's Allowance Supplement.

The roadshows are specifically for those who work with carers and places will be limited.

The Scottish Government want to ensure as many front line staff and volunteers as possible have the opportunity to attend and have asked that we share the below.

Please RSVP to Annalena.Winslow@gov.scot confirming your name, contact details, organisation and which date you wish to attend by **Monday 9th July**. Please also let us know if you have any special requirements. Refreshments will be available on arrival.
