

CREATIVE SURVEY: NOW OPEN

We want to hear from you! Freelance creative practitioners are a vital part of an area's cultural ecology. As well as their commercial impact, they often provide services that inspire creativity and help residents live better. They are the bedrock of a lively and vibrant cultural scene. Are you a freelance Creative Practitioner living or working within the Renfrewshire Area? Our Creative Practitioners survey is now open. Please take five minutes to complete it.

OUR AIM – to build up a comprehensive picture of the freelance creative sector in Renfrewshire. Who is doing what? How much activity is happening? How much is it worth? And what do you need to support your work, grow and flourish?

WHAT WE HOPE TO ACHIEVE – to better understand the freelance cultural sector leading to improved planning and support for individual creative practitioners.
